LAUNCHING 2026 · G2E ASIA, MACAU

The derby your floor has  
*been waiting for.*

# Your floor. *Our thirty years.*

## *Configurable.*

Race pace, field size, bet windows, distance, track, weather — all adjustable live from admin console. Every trackside banner and between-race screen is a sellable ad slot.

## *Scalable.*

Eight layouts from 6 to 50 terminals. One server to 100. Two cabinet finishes, bespoke on request. SAS, TITO, AFT, ACE compatible.

## *Field-tested.*

GLI-certified since 2006 — the world's first. Third-generation system deployed across 10 markets, from Solaire Resort and City of Dreams to 18,000 units in Korea.
